

## Summary

---

I am a first-year PH.D. student majoring in Computer Vision at Huazhong University of Science and Technology. I am pursuing my PH.D. degree under the supervision of A.P. Changxin Gao and Prof. Nong Sang (2016-2021). I works as a research intern at Megvii(Face++) Inc. mentored by Dr. Gang Yu and supervised by Dr. Jian Sun. My research interests focus on the Computer Vision and Artificial Intelligence, specifically on the topic of Segmentation.
